Tagline	Connecting Bicycle Aficionados... Worldwide!
Cost	Free. Logo-pin inclusion is intended to remain free.

What Partner Organizations Receive

- Searchable logo map pin used by members on posts, photos, maps, routes, and events.
- Optional organization visibility on the partner page and future partner directory.
- Opportunities for event promotion, blog coverage, galleries, and post-event recaps.
- A simple free way to help riders discover your organization and cycling activities.

What 1090 Is Looking For

- Permission to use your logo as a searchable map pin.
- Event, ride, bike valet, flyer, media kit, or promotion process information.
- Consideration for inclusion in flyers, newsletters, websites, social media, advertisements, or event materials.
- Opportunities to attend events, take photos, share QR cards, and promote local cycling.

Current Partner Pin Examples

These examples use real logos provided with permission for 1090 Bicycle Society use.

Current Partner Logo Pins

Real partner logos are used directly as searchable map pins on the 1090 Bicycle Society interactive map.

What to Send

- Logo file: PNG, JPG, SVG, or WEBP preferred.
- Organization website link.
- Short organization description.
- Contact name and email.
- Upcoming event, ride, service, bike valet, or promotion opportunities.
- Any media kit, flyer specs, sponsorship guide, or publishing process.

Partner Page and QR Code

For printed materials, use this short tracked URL. In electronic PDF copies, the visible URL is linked to the full tracking URL.
